Director's Report

Approval of June 2008 Minutes

Pursuant to A.R.S. 38-341-01(B), minutes of the Information Technology Authorization Committee are recorded by tape recorder. Taped minutes are maintained permanently in the GITA office. Public access and review of ITAC minutes are available by appointment Monday through Friday during normal business hours. Please contact Margaret Mueller at 364-4770 to arrange for an audit of the tape-recorded proceedings.

Strategic Technology Reserve

Frank Somers, GITA, Oversight Manager

Lou Trammel, Arizona Department of Emergency Management, Director

Ryan Goosley, Arizona Department of Emergency Management, Communications Division

Project Approved with conditions:

1. Because changes were made to the technology and equipment allocation originally presented to the Emergency Preparedness Oversight Council (EPOC), the revised project must be reviewed and approved by EPOC prior to the deployment of equipment.
2. AZDEMA must prepare and maintain an inventory of Strategic Technology Reserve (STR) equipment including a roster of individuals to whom equipment is assigned.
3. AZDEMA must devise an emergency communications test procedure and conduct both scheduled and unscheduled tests of emergency communications on a periodic basis. A written report of such tests must be prepared and presented to EPOC for review.
4. AZDEMA must provide documentation to equipment recipients including operation, maintenance and care of equipment and instructions regarding expected individual responses to emergency notifications.
